

UPGRADE SUITE BY S7

S7's INFORMIX 11.0
UPGRADE SUITE

**Joe Rodriguez/
STRATEGY 7**
President

"We are committed to IBM
Data Management Products,
They're solid reliable and
consistent--readily supporting
Web 2.0."

AHEAD OF THE CURVE STRATEGY 7

Strategy 7's **UPGRADE SUITE** is designed exclusively to ensure the success of upgrading IBM's INFORMIX Dynamic Server 11.0 and Websphere Information Server software platforms. The upgrade process involves advanced expertise in the areas of clustering, high availability, parallel processing and translation services.

"We offer a comprehensive and effective project upgrade solution with a strategically focused services offering backed by a tailored implementation plan"
